AFFIRMATION OF FAITH

Westminster Shorter Catechism #18-19

Minister: *What is the sinfulness of that state into which man fell?*

People: The sinfulness of that state into which man fell, consists in the guilt of Adam's first sin, the lack of original righteousness, and the corruption of his whole nature, which is commonly called original sin; together with all actual transgressions which proceed from it.

Minister: *What is the misery of that state into which man fell?*

People: All mankind by their fall lost communion with God, are under His wrath and curse, and so made liable to all miseries in this life, to death itself, and to the pains of hell forever.
